

Hello Abbotsford Minor Hockey Association families,

As the 2023-2024 hockey season has come to an end I wish to start off by saying a huge thank you for your continued support throughout the year. At the start of the season rep tryouts were a first for many families where we saw success and defeat on obtaining a team to play on this year.

To the coaches, managers and parents, thank you for making your son and or daughters hockey experience a success. A special thank you to the U11 Coordinator Linda Wright for her many hours of behind the scenes getting the rec division up and running with coach volunteers and team selections.

A special shoutout to the U11 A1 team for winning the PCAHA playoff banner FVC Flight 1 this year. Congrats to Levi Hesketh, head coach of U11 A3 for winning the Rep Coach of the Year award at this year's awards banquet. As well to Colin Kilpatrick, head coach of U11 C4 for winning the Rec Coach of the year also at the awards banquet.

In closing I wish to thank the AMHA board of directors and executive for your continued effort and time in making Abbotsford Minor Hockey Association a success each year. The year ahead is already starting off on the right foot with changes in development and policies within Abbotsford Minor Hockey as we move into the upcoming hockey season.

See you at the rink at the end of August for the 2024-2025 hockey season.

Sincerely,

Craig Carlson

U11 Director, AMHA
