Special Shout Outs

Jeni Wooffinden - Thank you for taking the team manager position to the next level and being an amazing hockey ambassador to our new to hockey families. Your help was greatly appreciated by all the families.

Shana Evans - There will never be enough words to express to you how grateful I am for you taking on the U13 coordinator role this year. The spreadsheets and guidelines that will be adopted from your amazing organizational skills will benefit AMHA for years to come. So much of the season ran smoothly thanks to you and your knowledge. Thank you x 100.

Summary

Numerous topics of discussion were popular this season, things in which AMHA continues to discuss and improve. We are ever grateful for the feedback received from membership in our mid and year end reviews. Without those comments, progress cannot be made. Please remember, feedback is always welcome and encouraged.

I look forward to continuing to serve membership in whatever role awaits for me in the 2024/2025 season and look forward to seeing everyone at the rink.

Cheers,

Natalie Stieb
U13 Director, AMHA
