

2023/24--U15 Director Report

Thank you for the opportunity to serve as the U15 Director for AMHA. There was a lot of learnings for me – and areas where I feel I could have provided more support to parents, player and coaches – so thank you to all of the volunteers who dedicated an enormous amount of time this season.

The Dallas Saunders Memorial Tournament was one of the highlights (notwithstanding its own challenges) as we had a record number of teams participate.

I would like to recognize the U15 head coaches and managers for their unwavering commitment this season:

C1 HC Aaron Miller / Manager Shannon Sharp

C2 HC Dustin McAuley / Manager Kelly Kumar

C3 HC James Bergen / Manager Tricia Reynolds

C4 HC Chris Joyce / Manager Amber Lockhart

A1 HC Steve Howerton / Manager Michele Dominato

A2 HC Jon Djekic / Manager Chantelle Chubaty

Thanks also to RIC Joel Byron for managing and assigning officials, Peter Hay and the Development Team, and to Tyler Ingram for volunteering as the U15 Coordinator.

Several topics have been brought to my attention and discussed (and will continue) including rep tryouts/rec balancing (review injury policy, the process for integrating rep cuts to rec, and the overall balancing process) as well as the volunteer workload for the Dallas Saunders Tournament.

In closing, I would like to thank the Board of Directors for their patience and support with learning this role, and specifically to Rhonda, for helping me along whenever needed.

Sincerely,

Rocky Olfert
